Hawaii Dental Service (HDS), the state’s leading dental benefits provider, recently promoted Christie Fejeran to director of government programs. Fejeran joined HDS as a compliance analyst in March 2018 and was promoted to risk manager in September that year.

In her new role, Fejeran is responsible for overseeing all aspects of administering Medicare and Medicaid dental plans. She will serve as a liaison with government agencies, health plans, providers, members, vendors and other Delta Dental Plan Association member companies.

In her previous role as risk manager, Fejeran, who has been a certified fraud examiner since 2012, had managed HDS’s fraud and abuse program, insurance related matters, business continuity plan, and enterprise risk management program with the chief administrative officer.

Prior to joining HDS, she pursued entrepreneurship and served as an assistant controller/credit union manager for Jas W. Glover, Ltd./Glover Federal Credit Union and as an audit supervisor with CU Pacific Audit Solutions, LLC.

Fejeran, an Aiea resident, has more than 10 years of experience in accounting, audit, internal control, compliance and training. She earned a bachelor of arts degree in psychology and sociology with a minor in business from Skidmore College in Saratoga Springs, New York.
